**CHICAGO HEIGHTS PARK DISTRICT**  
**Annual Budget**  
**May 1<sup>st</sup>, 2018 to April 30<sup>th</sup>, 2019**

Presented is the Annual Budget of the Chicago Heights Park District for the fiscal year ending April 30<sup>th</sup>, 2019. The Park District's financial plan has been developed utilizing a comprehensive, systematic approach designed to make the budget more easily understood. This comprehensive financial plan supports our efforts to continue to provide both residents and visitors with affordable programs for all ages and abilities, a wide variety of beautiful parks, amenities with diverse recreation opportunities and unique seasonal events.

The budget was prepared based on actual activity from the previous year combined with current trends and economic conditions. The 2018-2019 budget is based on conservative assumptions.

**BACKGROUND**

The City of Chicago Heights, located south of Chicago, was first settled upon in the 1830s as a quiet farm town. Today it is home to over 30,000 residents and stretches just over ten square miles. With the transcontinental Lincoln Highway running through its center, Chicago Heights was nicknamed the "Crossroads of the Nation."

The Chicago Heights Park District was established in 1948 to accommodate the ever growing population with quality recreational activities.

The Board of Commissioners, which is elected by residents within the City, is the District's ruling body that establishes the policies and procedures by which the District is governed.

In addition to the twenty-two parks, the Park District has over a dozen sport fields and facilities, many of which can be rented. The District also operates two stunning 9-hole golf courses.
